EDUCATION

KL University - BTech in Computer Science & Engineering
   CGPA: 9.37 / 10 | 2021 - 2025
Sri Chaitanya Junior College - MPC
   Percentage: 89.5% | 2019 - 2021

TECHNICAL SKILLS

Languages: Java, HTML, CSS, JavaScript
Databases: MySQL
Cloud: AWS Services
Tools & Platforms: GitHub, Zoho (Low-Code), SAP basics

PROJECTS

Serverless Web Application (AWS)
- Designed and developed a serverless web application using HTML, CSS, JavaScript, AWS Lambda, API Gateway, and S3.
- Implemented backend logic to handle user inputs and process requests in an event-driven architecture.
- Configured IAM roles and permissions to ensure secure access between AWS services.
- Deployed a scalable, cost-efficient solution using AWS managed services.

Personal Portfolio Website
- Built a responsive personal portfolio website using HTML, CSS, and JavaScript to showcase projects and skills.
- Implemented interactive animations and structured navigation to improve user experience.
- Optimized the website for mobile responsiveness and performance. Deployed and maintained the site using cloud hosting.

INTERNSHIP

TCS Winter Internship | Hyderabad | March 2024 - May 2024
- Gained exposure to enterprise-level business processes and SAP fundamentals.
- Trained in Python basic programming, data analysis using Pandas and NumPy, and machine learning fundamentals.
- Worked in a professional corporate environment following structured workflows.

CERTIFICATIONS

- AWS Cloud Practitioner
- AWS Developer - Associate
- Red Hat Enterprise Application Developer (EX183)
- Google Cloud - Associate Cloud Engineer

LEADERSHIP & VOLUNTEERING

Student Peer Mentor
- Provided academic and technical guidance to improve learning outcomes.
- Mentored junior students in coursework and project development.

Expedite Club Lead (2023)
- Led a student club focused on low-code or no-code development using the Zoho platform.
- Guided teams in building workflow automation and business solutions.
